Over-the-Counter Covered Product List (Insulin and insulin administration)

A prescription must be presented at the pharmacy to get these Over-the-Counter (OTC) insulin and supplies associated with the delivery of insulin covered under the Medicare Part D prescription drug plan. No other OTC drugs or supplies are covered by this Medicare prescription drug plan. Please check the plan's formulary for specific coverage information.

Insulin Syringes

Most insulin syringes, pens and pen needles are covered under your Medicare Part D prescription drug plan

Gauze Pads

2 x 2 gauze pads are covered under your Medicare Part D prescription drug plan

Alcohol Swabs

Alcohol swabs are covered under your Medicare Part D prescription drug plan

Insulin

Covered OTC insulin products can be determined using the formulary search process, and are also noted below:

- Novolin® N
- Novolin® R
- Novolin® 70/30

This is not a complete list of drugs covered by our plan. For a complete listing, please call 1-877-853-7693 and TTY 711 or visit YourAZMedicareSolutions.com.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, co-payments/co-insurance may change on January 1 of each year.

The Formulary may change at any time. You will receive notice when necessary.
